# Targus Story

## Company Background

For over 24 years, Targus, Inc. has been recognized as both the world's best-selling laptop carrying case and mobile accessories brand. Our goal is to provide our customers with unrivaled quality, superior service and access to the Targus brand wherever and whenever needed.

## Global Expertise

As a truly global enterprise, Targus has 45 offices worldwide. With direct distribution in over 100 countries, our corporate customers enjoy timely product delivery to any location in the world.

Targus Corporate Office locations include: Africa, Asia, Australia, Canada, Europe, Latin America, Middle East and the United States.

Targus Customers include: Fortune 500 corporations, government and educational institutions, major retailers, consumers and eight of the world's top ten laptop computer manufacturers.

Our relationships with our private-label PC partners are especially important to Targus. We take pride in our long-standing partnerships with companies like HP, Lenovo, Toshiba and Dell. The relationships forged in this important sector have secured our position as the preferred supplier of private-label cases and accessories around the world.

## We've Got You Covered

Targus prides itself on delivering a full complement of mobile accessories and cases designed to enhance your mobile life while working, traveling and playing. We understand that your mobile lifestyle depends on having uninterrupted access to your computing and communication tools. Our #1 selling line of professional laptop cases ensure the protection of your laptop while allowing you to express your individuality. Targus' case line includes a wide range of carrying cases, backpacks and rollers to protect your laptop along with cases for cameras, MP3 players, DVD players and camcorders.

Note: Cases and accessories marked with a red globe symbol in this brochure are products that are offered in all of our main regions throughout the world.

## Laptop Protection and Quality

Targus is constantly raising the bar for quality laptop protection and security. The Targus patented SafePORT® Air Cushion System and patent-pending Dome Protection System™ offer the highest protection possible for your laptop.

## SafePORT® Air Cushion System

The SafePORT® Air Cushion System combines vented air cushioning and high-density foam padding in a single chamber. These specifically engineered polyurethane cushions line the bottom and sides of the laptop compartment for side and vertical impact protection. SafePORT® cushions float the laptop inside the chamber ensuring a snug fit while protecting against damage due to shifting. We equipped our first case with the SafePORT® Air Cushion System in 1997, and since then continue to refine the system creating a truly protective environment for your laptop.

## Dome Protection System™

The Targus Dome Protection System™ (DPS) stands as another forward-thinking innovation in protection for Targus laptop cases. The DPS™ is a series of layered, shock-absorbing circles inserted into the walls of the laptop case, helping to minimize screen abrasions and cracks. Targus developed this system as customers cited increased interest in a technology that would help to minimize scratches and cracks to their laptop screens.

These two protection systems are offered in many of our case lines to ensure the safety of your laptop.

## Global Support

Targus has built a complete global support structure with sales associates located throughout the world. With offices in 45 different countries, we are entrenched in the attitudes and lifestyles of each region. Our understanding of cultural diversity and our ability to meet the specific needs of each region is what makes Targus a truly global organization.

In addition to 45 global offices, Targus offers customer service in local languages throughout the world. And for our large corporate customers, the Targus Worldwide Global Customer Program provides additional support services.

## Our Guarantee

What makes Targus cases and accessories stand apart? Years of quality manufacturing experience, innovation and customer feedback help to develop each of our case and accessory products.

At Targus, we craft cases that will endure the demands of our customers' schedule without losing their stylish appearance. That's why we take pride in our Lifetime Guarantee for all of our Targus branded laptop cases.

Today's mobile lifestyle depends on being able to function anywhere and anytime. Targus understands these needs and delivers cases and accessories designed to make your life a little easier.

## Mice

**Targus®**

AMW15US

AMW22USZ

AMU10USZ

AMB03US

AMU36USZ

AMW25US

### Laptop Wireless Laser Rechargeable Mouse

**AMW15US** **SRP:** \$39.99

- Laser technology has 20x more tracking sensitivity than typical optical mice
  - Recharge via the USB charge cable; use the mouse during charging to ensure uninterrupted operation—no more dead batteries; great for travel
  - RF wireless technology provides a clean, uncluttered workspace free from cables
- Weight: 3.4 oz

### Wireless Optical Rechargeable Full-Size Laptop Mouse

**AMW22USZ** **SRP:** \$24.99

- Ergonomic design, three-button mouse, scroll wheel, ambidextrous design to suit both left- and right-handed users
  - Recharge via the USB charge cable; use the mouse during recharging to ensure uninterrupted operation—no more dead batteries
  - Plug and play convenience; no driver required
- Weight: 2.7 oz

### Mini Optical Laptop Mouse

**AMU36USZ** **SRP:** \$19.99

- Dual-purpose ergonomic design; small enough for travel and big enough for comfortable desktop operation
  - No software driver required; featuring true plug and play with hot-swap capability for ease of use
  - Connects via 5-foot USB cord
  - Includes cable tie for added cable management
- Weight: 2.6 oz

### Bluetooth® Rechargeable Laser Mouse

**AMB03US** **SRP:** \$69.99

- Eliminates the need for a separate receiver; works seamlessly up to 33-feet away with a Bluetooth enabled PC or Mac
  - Batteries recharge while mouse is in use, so no more dead batteries
  - Provides up to 20x more tracking sensitivity than typical optical mice
- Weight: 2.04 oz

### Wireless Optical Stow-N-Go® Laptop Mouse

**AMW25US** **SRP:** \$29.99

- Wireless receiver attaches securely to the bottom of the mouse for convenient transport
  - Conserve power with the on/off switch triggered by the receiver
  - Tilt-wheel with 4-way scrolling for easy navigation
- Weight: 4.4 oz

### Full-Size USB/PS2 Optical Mouse

**AMU10USZ** **SRP:** \$14.99

- 800-dpi optical sensor and digital signal processor for precision and accuracy
  - Comfortable ergonomic design
  - USB cable ensures hardware compatibility
- Weight: 3.5 oz
