

TSB93601AP | Targus 15.6" Printed Strata Backpack (Hexagon)

Classic design with fashion-forward materials, the latest Printed Strata Collection provides the needed laptop protection in an iconic design. With quality protective foam and ruggedized base, it protects your laptop up to 15.6", preventing scratches when on the move. The durable yet lightweight polyester with water repellency protects your gear from scratches and scuffs. It's compact, yet roomy. The main compartment carries a lot more items other than your laptop. Large accessory pouch on the front, roomy interior, zippered side pockets provide an easy way to carry your device and all of your essentials. For comfortable carrying, there are padded shoulder straps to help support. Youthful inspiration meets function, comfort and style. The Printed Strata backpack blends all three elements into a backpack that any student or young professionals can carry to and from places without the weight and the bulk.
