

PAUM01U | Targus Ultra Mini Retractable Optical Mouse

The Targus Ultra Mini Retractable Optical Mouse (Silver and Black with red LED) is the perfect solution for the mobile warrior who needs to save space when using an external mouse. The "Screen Scroller Button" will allow you to scroll up or down, left or right. The mouse allows you to browse web sites and Windows easily. The Ultra Mini Retractable Optical Mouse comes standard with a USB connection (USB 1.1) that will allow true plug and play connection with the laptop USB port.

The latest optical sensor technology ensures perfect response to mouse movements

Small, compact design is perfect when space is limited on an airplane tray, desk or home office

Avoid extra cable cluttering your workspace by adjusting the retractable cord to the desired length
